

## Semmelroth S 5105/2 chamber cleaning machine ZU2247, used

**manufacturer :**  
Semmelroth

**Product number:**  
ZU2247

## Description

### Cleaning system

Manufacturer	Semmelroth
Type	S 5105/2
Year	2012

Comments

### Technical data

Control system	S7-300, 0P177B
----------------	----------------

#### Technical data

Nominal current	170 A
Mains voltage	400 V
Maximum part dimensions (L x W x H)	550 x 150 x 570 mm

#### Structure and function

1. Goods dispatch
2. Cleaning zone
3. Rinsing zone
4. Condensation droplet separator
5. Oil separator
6. Tank cleaning bath
7. Bag filter cleaning bath
8. Bag filter cleaning bath
9. Bag filter rinsing bath

Delivery time	immediately
Price	on request
