

Semmelroth S 60229/2 continuous cleaning system ZU2273, used

manufacturer : Semmelroth

Product number:
ZU2273

Description

Product Description:

Semmelroth Anlagentechnik

Continuous cleaning system S 60229/2 High-pressure cleaning - cleaning - rinsing - drying - cooling With goods carrier circulation system Machine design: completely stainless steel

Product Specifications:

- **Manufacturer:** Semmelroth Anlagentechnik
- **Type:** Continuous cleaning system S 60229/2
- **Year:** 2021
- **Power:** 110 kW
- **Working hours:** h
 - Options:
 - 2x viewing windows and lighting
 - Cleaning zone/rinsing zone

- 1x oil separator ÖT 60
- 1x filtration cleaning 10 bar
- 1x filtration rinsing 10 bar
- 1x filtration high pressure 10 bar
- 2x differential pressure measurement
- 1x floor tray with leak warning probe
- 1x waste water piping for cleaning and rinsing containers
- 1x waste water pump 1"
- 1x Schwanden condenser RL 150, air-cooled version
- 1x goods carrier construction

Comments: cleaning of aluminum parts

Delivery time: immediately

Price: on request
