

## Rösler Z1000 centrifuge GA2240, used

**manufacturer :** Rösler

**Product number:**  
GA2240

## Description

Centrifuge

Manufacturer

Rösler

Design

Model

Z1000

Year of Manufacture

2010

Comments

## Technical Details

|                      |          |
|----------------------|----------|
| Power                | 11 kW    |
| Max. speed           | 2650 rpm |
| Max. load            | 65 kg    |
| Max. throughput      | 1000 l/h |
| Inside drum diameter | 500 mm   |

|               |             |
|---------------|-------------|
| Delivery time | immediately |
| Price         | on request  |
