

Bühler GDV H-1100B DC cold chamber die casting machine, used KK1376

manufacturer : Bühler

Product number:
KK1376

Description

Die Casting Machine

Manufacturer	Bühler
Model	GDV H-1100B DC
Locking Force	12500 kN
Year of Manufacture	1991
Comments	for aluminium die casting with exhaust hood

Accessories

Furnace	available
Manufacturer	Westofen
Model	120 S

Furnace	available
Year	1992
Heating	electrical
Spraying machine	available
Manufacturer	Acheson
Model	MCT Servo S7
Year	2011
Foundry robot	available
Manufacturer	ABB
Model	IRB 6400
Year	2003
Trimming press	available
Manufacturer	Italpresse
Model	PA50
Year	2000
Accessories	
Temperature control unit	not available
Manufacturer	
Model	
Year	
Delivery time	December 2016
Price	on request
