

## CPC 1303 low pressure machine ND1342, used

**manufacturer :** CPC

**Product number:**  
ND1342

### Description

#### Low Pressure Die Casting Machine

|                     |                 |
|---------------------|-----------------|
| Manufacturer        | Ilinde          |
| Model               | CPC 1303        |
| Year of manufacture | 2003            |
| Control system      | Bradley SLC5/04 |

Comment

#### Technical data

Clamping unit hydraulic

|                               |                |
|-------------------------------|----------------|
| Dimension of mounting plate   | 2200 x 1800 mm |
| Distance between tie bars     | 1350 x 1350    |
| Opening between fixing plates | 1200 mm        |
| Mold division                 | No             |
| Max. mold weight              | 1500 kg        |
| Handling system for castings  | hydraulic      |

#### Technical data

|                               |                |
|-------------------------------|----------------|
| Movable clamping plate        | 1700 x 1700 mm |
| - Closing force               | 600 kN         |
| - Opening force               | 600 kN         |
| - Stroke                      | 1500 mm        |
| Qty. of prepared core pullers | 6              |

#### Accessories

- Manipulator

#### Low pressure furnace

|                  |                      |
|------------------|----------------------|
| Manufacturer     | Ilinden              |
| Model            | PS 500.36S           |
| Heating          | electrical resistant |
| Capacity         | 500 kg               |
| Size of crucible | ø1280, H960          |
| Delivery time    | immediately          |
| Price            | on request           |
