

RAUCH Magnesium liquid metal transport systems MFT 01711, used

manufacturer : Rauch

Product number:
O1711

Description

Melt container

Hersteller	Rauch
Model	MSB 600
Year of manufacture	2004
Melt capacity	Holding process
Crucible content	~725 kg
Net weight	2000 kg
Dosing quantity, max.	600 kg
Connected load electrically	25 kW
Heating output	electrical

Dosing container

Hersteller	Rauch
------------	-------

Dosing container	
Model	MDB 350
Year of manufacture	
Melt capacity	Holding process
Crucible content	~350 kg
Net weight	2000 kg
Dosing quantity, max.	120 - 165 kg
Connected load electrically	78 kW
Heating output	electrical
Delivery time	immediately
Price	on request
