

Frech DAK 315 S cold chamber die casting machine KK1509, used

manufacturer : Frech

Product number:
KK1509

Description

Die Casting Machine

Manufacturer	Frech
Model	DAK 315 S
Locking Force	3150 kN
Control system	
Year of Manufacture	1989
Comments	general overhaul in company FRECH in 1998, for aluminium die casting

Accessories

Dosing furnace	available
Manufacturer	SrikoWestofen
Model	45

Dosing furnace	available
Capacity	450 kg
Year	
Heating	electrical
Comments	

Crucible furnace	available
